Oakland County Sheriff's Office

After careful consultation with participants, organizers, and longtime partners – we had to make a difficult decision to cancel the Angel's Night event, scheduled for October 28, 2020.

Following the increased and overwhelming concerns about COVID-19 virus, we felt this was the best way to proceed during such an unprecedented global situation. We are very disappointed that we are unable to hold this event for our community and supporters. But we know it's the right decision based on the information we have today.

It was in February when reports of COVID-19's global spread began to make headlines. In the face of rising sponsor withdrawals and attendee concerns, the organizers behind the Angel's Night event became some of the first to make the tough decision to cancel for the safety of the attendees.

The Angel's Night organizers and the Oakland County Sheriff's Office will continue to be working in unison and supporting each other for the 2021 Angel's Night and future events.

We remain committed to the City of Pontiac, where we've hosted Angel's Night and several other events for the past nine (9) years. The Sheriff' Office look forward to seeing our global community, organizers and partners in 2021.

Take care of yourselves, and we'll continue to do everything we can to help our community stay safe, informed, and connected.
